KIND OLD LADY GOES TO HER REWARD

Laid Away in the Shadows of Her Old Home

Mrs. Judith Monohan, widow of the late John Monohan, a prominent farmer and at one time a member of the board of supervisors of San Mateo county, passed away last Saturday evening at the home of her daughter, Mrs. John W. Solen of San Francisco. Mrs. Monohan was a native of Ireland, aged 87 years. Her husband passed away about ten years ago. She then came from her home at University Heights to reside in Redwood City. Some years ago she went to live with her daughter in San Francisco. Mrs. Monohan was the mother of Mrs. E. F. Fitzpatrick, wife of Judge Fitzpatrick of this city and Mrs. J. W. Solen of San Francisco.

Mrs. Monohan was laid away in the shadows of her old home in Holy Cross cemetery, Menlo Park, on Monday last. The grave was surrounded by a large number of old settlers who had known and honored this noble woman in her life time.

Mrs. Monohan came to University Heights in the early sixties passing many happy days at the old home nestled alongside the peaceful San Francisco creek. There she raised her family, saw its members grow to mature womanhood and manhood. She basked in the sunshine of happiness. The passing of her son, John, many years ago cast a shadow over

her life, but she bore her sorrow with true Christian fortitude.

Mrs. Monohan was a true Christian woman beloved for her numerous qualities of mind and heart. She loved her neighbors and they loved her. Mrs. Monohan was always kind doing little acts that brought happiness to some one. She loved to assist others and never was she so happy as when doing something to alleviate the suffering and pain of those in distress. Mrs. Monohan was unostentatious in her acts of charity but there are not a few who knew of her beneficence and helping hand.

Few women enjoyed the esteem of her neighbors and acquaintances as did the deceased. She loved to do good, she had no other thought. Hers was a noble life, one that might be well patterned after by the younger generation. May she enjoy the fruits of her well-spent life in that other and better world beyond.

P. P. CHAMBERLAIN WILL POLL BIG VOTE

It is not a case of who will be elected county treasurer but how large will be P. P. Chamberlain's plurality. All concede his election by a tremendous vote. He has held the position for 34 years and will continue to be the guardian of the treasury box of the county.

The emphatic endorsement of Judge Buck, is sufficient evidence of his merit and standing, his opponent's friends have practically admitted Mr. Bullock's election, and Mr. Swart's defeat is now certain.

MAYOR ROLPH MADE IMPRESSION

Spoke to Largest Crowd Gathered Here During the Present Political Activities

Mayor James Rolph, the candidate for Governor, came, saw and conquered the hearts of the people of Redwood City on Tuesday last. He addressed the largest political gathering held in Redwood City this year. More enthusiasm was displayed at this meeting than any other held in the county seat for many a day. The corner of Main and Broadway was crowded with people eager to hear the eloquent mayor. He held the crowd for nearly an hour. James T. O'Keefe, in a few well-chosen words introduced Mr. Rolph as the next governor of the state of California. Mr. Rolph graciously acknowledged the applause accorded him. He said he felt at home in coming to Redwood City, that he was among his neighbors and felt sure that he would receive a large vote in his home county for it was here that he spent his leisure moments away from the busy city of San Francisco. Mr. Rolph in part spoke as follows:

Our country is at war. Every effort of the Nation, and of every man and woman in the Nation, must be exerted, no matter what the cost, until that war results, as it must and will result, in victory for the United States and its allies. In this election, nothing really matters except the winning of the war. This is no time, as President Wilson has said, for Partisan Politics. I am running for the Republican and Democratic nominations because it is necessary to conform with our election laws, but I am really running not as a Republican, not as a Democrat, but as an American.

The President of the United States, whom we all respect and obey, is the architect of the world's future at this time. He is the most important man on all this earth. And President Wilson is governing this country, in this great crisis, absolutely without regard to politics. When he called on John D. Ryan to take charge of the aircraft production, when he called on Charles M. Schwab to take charge of the ship-building program, when he called on Barney Baruch to take charge of the production of war munitions, he did not ask whether they belonged to the Republican or to the Democratic parties. What he sought was the best man in the nation for the job, and they accepted the service without caring whether or not they were helping the administration of a party to which they did not belong. For this war is not a Democratic war nor a Republican war. It is a war in which the whole American Nation has staked the entire future of democracy.

A Business Man Wanted
At this point, let me direct your attention to the fact that when President Wilson needed the best man to build ships, the best man to get munitions, the best man to see the aircraft produced, the best man to control the food administration, the best man to perform any of the extraordinary services at home which the winning of the war demands he did not turn for help to the professional politicians, but chose Ryan, Schwab, Baruch, Hoover, and the hundreds of other dollar-a-year men who are giving their time and talents to the service of the country. When the country needed results, instead of talk, the professional politicians, who all most of the public officers in ordinary times, were cast aside and business men picked for all the important tasks.

I am a business man, I am the only candidate for Governor who has had much experience in business affairs. I am not a politician, although I have held office for seven years, and I am afraid that I never will be a politician, for I can never get the politician's point of view. I cannot get over the old-fashioned American notion that the main business of a man in public office is to do the work of his office as efficiently and conscientiously as he would do his own private business and not to use his power and position at any sacrifice of the public interest to get himself re-elected or promoted.

When I was elected mayor, seven years ago, the public structures of San Francisco had not been rebuilt since the fire of 1906. Private citizens, business men, had re-built their homes, their office buildings and their factories, but the politicians had merely talked and talked about re-building the public edifices. It seemed to me that the only way to build a city hall was to build it, as Senator Phelan had built the Phelan Building or the estate of D. O. Mills had built the Mills Building. People said you could not build a City Hall that way. Our former City Hall had cost do not know how many millions of dollars, ten or fifteen times the original estimates, and had taken

SAN MATEO COUNTY PRESERVATION LEAGUE ENDORSES F. L. ESKWARD

Representative Body Considers Assemblyman Eskward a Very Necessary Safeguard to Best Interests of San Mateo County—Voters Appealed to for Support

SAN MATEO COUNTY PRESERVATION LEAGUE

The San Mateo County Preservation League, comprising representative citizens of all parts of the county who have worked unselfishly for the best interests of San Mateo County for many years, has appealed to the voters of the county to support the candidacy of Assemblyman Frank L. Eskward, who seeks re-election at the August Primary. Eskward has worked in harmony with the League in all its work for San Mateo County and through his incessant work many bills, sponsored by the Preservation League, were adopted by the State Legislature.

Assemblyman Eskward is so familiar with the requirements of the county and so in touch with the progress of the work in the legislature, that the League considers it a necessary safeguard to the best interests of San Mateo County to return him to the office which he has filled so faithfully and well. A man not in sympathy with the work of the San Mateo County Preservation League, could do a vast amount of harm to the district if sent to the Legislature as its representative and therefore it is vital to the welfare of our county to return Eskward, a man who has made good, to carry on the work he has so successfully started.

The appeal of the San-Mateo County Preservation League to the voters of the county follows:

TO THE VOTERS OF SAN MATEO COUNTY:

Two years ago you were confronted with an attempt to unconditionally annex San Mateo County to San Francisco. Through the efforts of our Assemblyman, Frank L. Eskward, there was secured, by unanimous consent of the Legislature, the submission of a Constitutional Amendment assuring the perpetuation of local self-government in its event of annexation to San Francisco. This measure was actively opposed by Mr. Eskward's present opponent.

The San Mateo County Preservation League stands firmly behind this Amendment, which will come up before the voters at the November election, and in furtherance of the safeguards so to be guaranteed it, urges the return of Mr. Eskward to the Legislature.

We ask that you vote for Eskward for Assemblyman, and elect him at the Primary on August 27th.

Respectfully yours,

SAN MATEO COUNTY PRESERVATION LEAGUE,

By Executive Committee,
E. F. FITZPATRICK, President, Redwood City,
J. C. ROBB, Vice-President, Millbrae,
S. D. MERK, Secretary, Burlingame,
E. E. CUNNINGHAM, South San Francisco,
MRS. HENRY WARD BROWN, Colma,
PATRICK O'KANE, San Bruno,
H. H. SMITH, Daly City,

over twenty years to build, and it was the first building to fall on April 18, 1906. The old City Hall was a product of politics and graft. Our new City Hall was built during my administration, within the estimated cost, within the estimated time, and without a suspicion of graft or a hint of scandal. Those of you who have seen it will testify that it is a great architectural monument, a work of power and beauty, and an ornament to San Francisco.

C. E. WILENT MAKES GOOD IMPRESSION

C. E. Wilent is a strong candidate for the office of justice of the peace of the third township. Wherever he went he has made an impression on the voter. He is a young man of fine presents and nice address. His vote will be large.

J. R. GITTINGS WILL TRAIN FOR A COMMISSION

James R. Gittings of San Mateo, who is in Company H of the 21st Regular U. S. Infantry at San Diego, has passed the examination for entrance to the Officers' Training Corps. He will leave in a few days for the Officers' Training Camp at Camp Pike Arkansas. Mr. Gittings was formerly Resident Engineer for the Manila Railway in the Philippine Islands.

E. A. HAYES FOR CONGRESS

E. A. Hayes is a true and tried friend of the people. He has been fourteen years in congress and can be more than a new man in Washington. A vote for Hayes is a vote to return a good man to the halls of congress. Vote for him.

ROY H. CURRAN MAKES A VIGOROUS CAMPAIGN

Roy H. Curran, candidate for county clerk, has made a vigorous campaign for the office, seeing almost every voter of the county. Mr. Curran is a young man of ability, who if elected will fill the position creditably. He was born in Redwood City and has spent his whole life here. Mr. Curran has been connected with the abstract business for years which gave him a training that peculiarly fits him for the office to which he aspires. If elected he will make an efficient clerk.

COUNTY CLERK NASH BUSY

County Clerk Jos. H. Nash is a busy man these days. He has just completed the printing of the great register which contains 12,322 names, a slight increase over the register of two years ago. Mr. Nash has also sent out sample ballots to every voter. Notwithstanding the vast labor of his office Mr. Nash has found some time to campaign and has met a great number of the voters who have given him encouragement and support in his candidacy.

JUDGE W. G. LORIGAN FOR SUPREME COURT

Judge W. G. Lorigan will be a candidate for re-election at the primary on Tuesday for associate justice of the supreme court. The judge is well-known in this county where he has many friends.

For 12 years he was judge of the superior court of Santa Clara county, and for 14 years he has been a member of the supreme bench. He has made a most excellent record, and everyone in this county feels proud to say that Judge Lorigan is from this neighborhood. There are two vacancies to be filled and every voter in the county should vote for Judge Lorigan to fill one of these two vacancies.

The bar association of Santa Clara county has endorsed Judge Lorigan. Adv.

BULLOCK WORTHY AND COMPETENT

TO THE PUBLIC

There is so much bad in the best of us so much good in the worst of us, that it ill behooves any of us, to speak ill of the rest of us.

I have made it a matter of principle through life never to speak ill of a professional or political opponent.

In the campaign now about to close I am particularly gratified by the fact that neither from my campaign headquarters, not in any of my political literature, has there been any unkind mention of the opposing candidate.

It is with just pride that I call your attention to the fact that my candidacy has been endorsed by San Mateo county's leading citizens who are in a position to know best the qualifications of the opposing candidates. Among whom is the Honorable George H. Buck, who has been the honored and respected Judge of our Superior Court for the last thirty years. For example:

SUPERIOR JUDGE GEORGE H. BUCK SAYS:

"I voted twice for the man who styles himself 'your district attorney,' but I shall not vote for him this year. I will vote this year for Joseph J. Bullock, the man who has made good."

All indications assure my election as district attorney at the primary election next Tuesday.

When elected, I pledge you a clean, efficient administration of the office of District Attorney. I will make good to those who have honored me with their votes, to those who have so generously endorsed my candidacy and to the citizens of San Mateo County.

In conclusion, and on the eve of election, I thank you for your kind interest in my campaign, and earnestly request a continuance of your efforts in order that nothing may be left undone, so when the ballots are counted, we will have gone "over the top."

Sincerely,
JOSEPH J. BULLOCK.

WOULD CONSERVE ELECTRICITY

The Pacific Gas and Electric company sent a letter to the board of supervisors last Monday stating that it was the desire of the company to have all the municipalities of the county to comply with the wishes of the power administrator in saving the current in eliminating unnecessary lights. This liberal policy of the company is commendable, for its revenue will be greatly decreased in having the number of lights reduced.

J. O. HAYES FOR GOVERNOR

I wish to say a word or two in your paper about J. O. Hayes.

Now if you cast your vote for him as governor on the 27th of August, 1918, I know you will never regret it. He is just the man we want.

(Signed) MRS. A. JEFFERY.

19 Maple St., San Jose, Cal.

MOTHER OF MRS. H. O. HEINE SUCCEUMBS

Mrs. Irene Duncan, mother of Mrs. Harold O. Heine, passed away Saturday afternoon at the home of the latter, 218 Whipple avenue. Mrs. Duncan's death was the result of injuries she received in an automobile collision at the corner of Broadway and the State highway in this city on June 9th last. Her aged husband, Samuel Duncan was fatally injured in the accident, and J. D. Smith local contractor, was badly hurt and is still at the Redwood City hospital in a serious condition. Mrs. Duncan suffered a very bad scalp wound and it was this, together with the severe nervous shock that caused her death.

THE WEEK'S EVENTS IN LOCAL CIRCLES

At the Episcopal church tomorrow morning at 11 o'clock a service flag will be dedicated and the Honor Roll read. The rector will preach on the topic, "Why Does God Permit This War?" The public are cordially invited.

Miss Viola Poole and her sister, Pauline and Laura Hanson and Miss Cora Lovie went to La Honda in their automobile. The young ladies took a camping outfit with them and enjoyed many pleasant hours this week, among the grand redwoods.

Late yesterday a deed was filed for record in the county recorder's office whereby Douglass Watson sold his home in White Oaks to H. E. Clayburg, San Francisco, who occupied the Henrietta Meyer place at Wellesley Park for the past year. Mr. Watson has resigned as county food administrator and will move to Palo Alto. The sale of the property was made by David L. Walter of this city.

Frank Fitzpatrick arrived home on Thursday evening from New York to spend a furlough of ten days with his parents, Judge and Mrs. E. F. Fitzpatrick. He is a clerk in the naval paymaster's department in New York. Mr. Fitzpatrick, before enlisting in the navy, was cashier of the Bank of Italy and resigned to answer his country's call. He is glad to get back to Redwood City to enjoy the cool weather and meet old friends.

Clark Rice, candidate for recorder, arrived home last night from his north end of the county feeling confident that he will sweep that section. Reports from other portions of the county that Mr. Rice has received assures him of a big vote everywhere.

The entertainment and dance to be given in the Alhambra this evening by Mrs. A. Mighall of Woodside for the benefit of the local Red Cross Society is going to be largely attended. Mrs. Mighall is going to spring some surprises in nature of the program she is going to present.

Efficiency is required in public office. J. J. Bullock is efficient. He will make a good district attorney.

CITY OFFICIAL PAPER

SATURDAY, AUGUST 24, 1918

FOR GOVERNOR
JAS. ROLPH, Jr.

Associate Justice of the
Supreme Court

Thos J. Lennon

For Member of the
Assembly

MAYOR JAMES ROLPH
SURE TO CARRY BIG VOTE

There is hardly any doubt but that James Rolph will carry San Mateo county by a substantial vote. He should, for no man has done more for this section than Mr. Rolph. The big cantonment at Menlo Park was brought there through the efforts of the genial mayor. His home is in the county where he has spent thousands of dollars in improving the property. Mr. Rolph deserves well at the hands of the voters of San Mateo county.

Rolph is a liberal American; not prejudiced against any group or class; thoroughly and genuinely democratic; a man whom neither wealth nor popularity can spoil.

As a very young man, just entering on his brilliant business career, Rolph had the same friendly personality, the same generous courtesy, which even his enemies conceded to be one of the chief causes of his popularity.

"Jim" Rolph, as half San Francisco calls him, is not a mere political glad-hander. His way of fraternizing with people is successful because it is so evidently instructive and sincere.

He is one of the few men whom I have met that in their dealings with others are conscious neither of their wealth nor of anybody else's wealth. Rolph is that rare American, a genuine democrat, without a taint of social or financial snobbery. He is not the sort which believes that success is the only virtue and failure the only crime.

SELECTING SUPREME JUSTICES

Voters of California at the primary election are to choose two members of the State Supreme Court. Under the law, these are non-partisan offices and the names of the candidates will be on all ballots.

If there ever was a time when new timber was needed on the Supreme bench, it is the present. Partly because of ill health of some of its members, and partly because of its customary slowness of action, the Supreme Court is at least two years behind in its work. The court consists of seven members. For two years two justices have been incapacitated and the extra burden that has been thrown upon others because of this fact has only served to delay justice.

The term of a justice of the Supreme Court is twelve years. Voters should be careful to select men who are in the prime of mental and physical vigor for this important public trust. Men should be chosen who, it is reasonable to expect, will, in the ordinary course of events, be able to give service to the State throughout their long terms. For that reason, this paper endorses the candidacy of Justice Thomas J. Lennon, who is now Presiding Justice of the District Court of Appeal for the First Appellate District.

Justice Lennon is in the prime of life and from his record on the Appellate bench, voters may be assured that he will co-operate with the other members of the Court in a conscientious endeavor to clear the calendar of its present congested condition.

HAS MADE A CLEAN FIGHT

A campaign of mud-slinging, only emphasizes the weakness of the candidate who uses such measures, or who resorts to such tactics. The public are nauseated by the dirt thrown by Swart and his few adherents. Mr. Bullock has made a clean fight, relying upon the endorsement of the good people of the county, he is known all over this county as a successful, able and hard-working lawyer, experienced in criminal procedure, and with a reputation as a public prosecutor that is known all over the state.

SHEEHAN FOR SHERIFF

Sheriff M. Sheehan has completed his campaign for the office of sheriff and from the encouragement he has received he feels confident he will lead in the contest at the polls on Tuesday next. Mr. Sheehan has made a splendid official giving his entire time and attention to the duties of the office. He has apprehended many noted criminals, has brought evil doers to the bar of justice. His friends feel that he is deserving of another term for the good work he has done and the efficiency he has shown in the administration of the office.

RE-ELECT JAMES V. NEUMAN
COUNTY SURVEYOR

James V. Neuman, County Surveyor of this county, should receive the hearty support of every thinking voter. He has had charge of the county engineering and highway work for eleven years and has given an excellent account of his stewardship. Since 1914 San Mateo county has expended over one and one-half million dollars for road and bridge work and this has all been expended under the direct supervision of the County Surveyor, and to his credit it must be said that absolutely no adverse criticism has ever been made and no doubts or suspicions were cast concerning the expenditures. His motto was "strict accountability for every cent" and the set of books kept in his office which were highly praised by experts, and the final report drawn up by him on completion of the work, shows that his motto was fulfilled to the letter. His specifications for contracts have always been clear and exacting and he has seen that the work has always been done according to them.

Under the County Highway Bond proceedings, the sum of \$1,444,451 was expended and the engineering charges for all of the surveying and inspection were only 4.57 per cent. The engineering charges on the State Highway which was constructed about the same time, were over 12 per cent and a surveyor of a neighboring county is making his fight for re-election on the grounds that his engineering charges amount to only 8 per cent. The State Railroad Commission allows the expenditure of 12 per cent of all construction work for engineering services. Mr. Neuman could legitimately have made it cost the county over 7 per cent more than he did but that 7 per cent or \$101,000 went into good roads.

DR. W. A. BROOKE IS
PROMPT AND EFFICIENT

Dr. W. A. Brooke, the popular Coroner and Public Administrator of San Mateo County, is a candidate to succeed himself to the office at the primary election, August 27th.

Dr. Brooke is a prominent physician of the coast side where he has resided for more than twelve years and has always taken a leading part in all movements for the improvement of his home community. He has for many years been a trustee of the Union High School at Halfmoon Bay, and was recently re-elected to this office without any opposition.

Dr. Brooke is a native of California. He is a graduate of Cooper Medical College of San Francisco, and a member of the San Mateo County Medical Society, State Medical Association and American Medical Association; he also belongs to a number of fraternal organizations.

WM. H. BARG FOR RECORDER

William H. Barg, the popular candidate for recorder, is an efficient and painstaking official. Efficiency is his recommendation for office. He is popular and has many friends. Mr. Barg was born in Hollister, Cal., and has been a resident of this county since 1914 and was appointed to the office of Recorder in November, 1915. Under his administration the office has been conducted upon a strictly business basis, changes were made to better the efficiency of some departments and an economical system for the distribution and use of supplies was installed.

Mr. Barg has a host of friends throughout the county who predict his election by a big majority.

D. P. FLYNN'S GOOD RECORD

The office of assessor is one of great responsibility and requires a man who is not only of undoubted honesty and integrity, but who is also familiar, through actual experience, with the property values of the entire county. Such a man is Daniel P. Flynn, the present incumbent of that important office.

Assessor Flynn was born and raised in San Mateo county and was educated in the public schools of Redwood City. He has spent the greater portion of his life in farming and in the contracting business, occupations which have given him an intimate and personal familiarity with property values up and down the Peninsula, and is going to get a big vote everywhere.

RAY GRIFFIN A POPULAR
CANDIDATE FOR JUSTICE

Ray Griffin has proven a popular candidate for justice of the peace of the third township. He has managed to see nearly all the voters in the township. From the encouragement he has received it is certain he will secure a big vote at the contest at the polls next Tuesday. He would make a good justice. His vote will be large.

JUDGE SEELY FOR JUSTICE

Judge George Seely has made good as justice of the peace of the Third township and is seeking re-election on his record. Mr. Seely has given his time to the office, always being found when needed. He will secure a big vote in the township.

ARTHUR THOMPSON IS
STRONG FOR JUSTICE

Arthur Thompson has made a vigorous campaign for justice of the peace of the third township, having seen every voter in the district. He feels confident of the result.

DR. C. V. THOMPSON FOR
SUPERVISOR OF FIFTH

Almost every voter in the fifth township concedes that Dr. Thompson will be re-elected supervisor by the largest vote ever given a candidate for office in that township. He has conducted a clean manly campaign only using the highest terms of praise for his opponent and this has gained him the respect of all. The doctor has given his constituents a good administration and he may rest assured that their appreciation will be shown in the big vote he will get next Tuesday. Every precinct in the district will roll up big majorities for the popular supervisor. He is in a position to do more for his township than a new man could possibly do owing to his experience of four years. His plurality will be substantial.

VOTE FOR ROY W. CLOUD

Roy W. Cloud, county superintendent of schools, has no opponent for re-election. The people of this county have paid him the compliment of allowing him to run unopposed. Notwithstanding the fact that he has no opponent every voter should place an X after his name so that his vote will be large.

A vote for Judge Lennon is a vote to place an honest and able man on the supreme bench of the state. Vote for him.

James Rolph will be the next governor of California. No doubt about it. We want a business man as chief executive and certainly Mr. Rolph has been a successful business man.

There has been considerable mud-slinging during the campaign about to close, more so than at any other election in the history of the county. The people await with considerable anxiety to know the result of this campaign of abuse.

THE GERMAN BEATTITUDES

It is not known whether the following creed was composed by a German or by a foreign student of Germanism. It has the ring of genuineness; it is not far-fetched or overdrawn. The military masters of Germany have acted upon this creed, and the German army, their disciples has lived up to it.

"Ye have heard how in olden times it was said, 'Blessed are the meek, for they shall inherit the earth'; but I say unto you, 'Blessed are the valiant, for they shall make the earth their throne.' And ye have heard men say, 'Blessed are the poor in spirit'; but I say unto you, 'Blessed are the great in soul and the free in spirit, for they shall enter into Valhalla.' And ye have heard men say, 'Blessed are the peacemakers'; but I say unto you, 'Blessed are the war makers, for they shall be called, if not the children of Jehovah, the children of Odin, who is greater than Jehovah.'"

THE BANK OF ITALY
APPLIES FOR LETTERS

The Bank of Italy of San Francisco has filed the last will and testament of Clements W. Hill, who died on August 7, 1918, and has applied for letters testamentary thereon. The estate consists of a house and lot at Burlingame valued at \$3000; money in the hands of Hale Brothers amounting to \$9,805, twelve and 292 shares of the capital stock of the Panama Realty Co. worth \$1460.45. The will was executed on October 13, 1917. The relatives of the deceased reside in the east.

BUILDERS' CONTRACTS—

The Masonic Cemetery Association has awarded a contract to the Cemetery Supply Co., of Oakland for the construction of a crematory at Woodlawn cemetery for \$4750. The work is to be completed in 60 days.

C. C. Moore and Co. engineers, agree to install two Sterling boilers in the Owner's Bay Shore Shops in 60 days for the Southern Pacific company for \$4529.

APPLIES FOR LETTERS

J. I. Moore has applied in the superior court for letters of administration upon the estate of Claude Strahan, who died on July 25, 1918. The estate consists of cash in bank amounting to \$2500. The heirs at law are M. A. Strahan, wife and Mrs. Sarah J. Strahan, mother of the deceased.

Supplement to the Times-Gazette

Redwood City, Cal., August 24, 1918

Editor, Times-Gazette,
Redwood City, Cal.

Dear Sir:

As a Redwood City paper has published a letter from Kenneth M. Green, made public after he was safely out of the county, which makes reflections upon my sincerity and honesty of intentions in the present campaign for District Attorney and as your paper is the only paper in Redwood City that will be issued before the Primary Election, I ask that you print as an advertisement in your next issue the following reply to Mr. Green to enable the people of Redwood City to hear both sides of the case and pass judgment themselves upon Mr. Green's conduct and those he has so strongly defended. Very truly yours,

J. D. BROMFIELD,

Editor, The News,
San Mateo, Cal.

There are many experiences pleasant and unpleasant in the life of a newspaper editor, but the most unpleasant experience in the life of any human being is to be the victim of the ingratitude of one whom you have befriended. Nothing is more disgusting than to have one to whom you have given freely of your time, your money and your friendship, through trial and adversity, turn out to be an ingrate.

Kenneth M. Green, a boyhood companion of the editor of The News and whose best friend the editor has always tried to be, has turned against his lifelong friend and has sent to almost every newspaper in San Mateo county, except The News, a long letter in which he casts reflections upon the honesty and sincerity of the editor of this paper and vigorously praises and defends Jack Marchbank, proprietor of the "Northern" gambling hall at Daly City, whom he says he has known personally for a great many years and is proud to call his friend.

The public is not interested in the case of misplaced confidence and friendship insofar as it personally affects the editor of this paper. But the public should be interested to know, and has a right to know, why Kenneth M. Green should renounce a lifelong friendship to take up the fight for the indecent and corrupt element of this county.

Anyone who has lived in this county for eight years will recall how the editor of this paper, then a reporter on a San Francisco daily, wholeheartedly aided Green in his campaign for district attorney of the county and in his exposure of the gambling trust of the north end of the county. Many others will recall how the editor of this paper, then in the employ of the Morning Call, went around this county giving of his own time and money without any expectation of remuneration for the sole purpose of helping his "friend" and trying to remove conditions which he felt had a corrupting influence on the politics of the county. Many others will remember how the editor of this paper, four years later, again vigorously supported the enterprise but that they were "big men" of San Francisco. He asked for the support of The News in the proposition providing it would be of public benefit and would result in the location of a first-class outing place at the beach. A short time later, Frank Miner, the promoter of this enterprise, died suddenly and the undertaking fell through. Subsequently, in a conversation with the editor of this paper, Green remarked one day with considerable embarrassment: "You will probably be surprised to know that one of the men who employed me as attorney in that beach proposition was Jack Marchbank, the gambler." Frequently, after that, Green told the editor of this paper of the many fine qualities of Marchbank, said he felt sorry for Marchbank because the latter didn't know any other business except gambling and repeatedly tried to convince the editor that a majority of the people of this county were "sport-loving" people and didn't object to a little clean gambling if it was quietly and properly conducted. Finally, he went so far as to offer to take the editor of The News up to see Marchbank and find out "what a fine fellow he is," but said he would do so only with the express understanding that the editor would not say anything about the visit. The editor told Green he did not care to make Marchbank's acquaintance, especially under such circumstances, and that no matter how fine a fellow Marchbank might be, he was conducting a gambling resort in violation of the law and nothing could convince the editor that faro, roulette and crap games conducted by professional gamblers for high stakes should be winked at.

About this time, a San Mateo boy, who by the way, was under age by several years, told me in Green's presence of having gambled at the "Northern" and of the names of several other boys who had played the games there. Acting on this information, and unknown to Green, I interviewed Mr. Mountford S. Wilson, the San Francisco attorney living in Hillsborough, whose son had lost considerable money at the "Northern" and whose debt to avoid notoriety he had been compelled to pay. "What is the matter with your officials down there?" Mr. Wilson asked. "Why doesn't your district attorney get busy and clean them up? It is pretty fierce to have our sons growing up in a community where such conditions are tolerated."

Although Green had been making the boast to us that the gamblers were so strong politically that "even Judge Buck" would not dare oppose them, when the editor of this paper presented the facts concerning the Wilson boy and other boys to Judge Buck, the latter lost no time in calling the grand jury and ordering a rigid investigation, which, as everybody knows, resulted in the jury finding that gambling had been conducted at the "Northern," even while the grand jury was in session, and that the illegal resorts could be wiped out if the officials would perform their duty.

Although Green, during all this time, was professing to be a friend and supporter of Joseph J. Bullock and had persuaded me to employ Mr. Bullock to be associated with him in defending a suit brought against this paper, I gradually learned facts which convinced me that Green, on the surface for Bullock, was actually working in the interests of Swart and lobbied for a bill to give the district attorney an assistant, and one night, at the Hotel Sacramento, admitted to me that if the job was created, he would be appointed by Mr. Swart. He confessed that Mr. Swart had made him no such promise but that the assurances came from persons whom he considered capable of "delivering the goods." The bill was not passed and Green did not get the job.

A few months ago, Green made the statement to me that although

he did not seem to be busy with his law practice, he had made a whole lot more money in six months than the editor of this paper. He inferred that he had been given some big retainers.

During the past six months, the editor of this paper was approached by a citizen of this county and told that if The News would "lay off on knocking Daly City and put in some boost writeups" there would be \$50 a month in it for the paper. When questioned closely, he said he came from Marchbank, and said Marchbank had been pleased because The News had not been "roasting him" lately and thought we might have changed our mind. The next day, the editor told Green of this apparent attempt to buy off The News and Green said he didn't believe Marchbank would make any such offer of "hush money" to The News. He said he would ask Marchbank. A few days later Green came back and said Marchbank had not made any such offer. In his letter issued this week, Green says: "I know of my own knowledge that no bona fide offer of fifty dollars per month or any other sum, ever came from any gambling interests to this editor."

That is either an accusation of falsehood against his old friend, the editor, or a confession that nothing was done by the gambling interests that he did not know about.

About a month ago, Green, who was preparing to leave to take up Red Cross work, asked the editor if The News could not give him some employment until he went away. The News did give him employment and in less than three weeks paid Green the sum of \$196 for soliciting advertising, for which we hold cancelled checks and receipts showing the money paid to him. Green said he was then without funds, needed the money to pay his expenses to New York and proposed great gratitude for the friendly act of the editor in making it possible for him to procure some funds. THE LAST PAYMENT MADE BY THE NEWS TO GREEN WAS LAST SATURDAY, THE DAY THAT HIS LETTER ATTACKING THE SINCERITY OF THE EDITOR WAS DATED. Green went away Monday and left the letters behind him so that his ingratitude could not become known to the editor until he was well on his way.

Green says in his letter that a recent editorial in this paper on the gambling question was "inspired if not written by Mr. Bullock." The fact is that Mr. Bullock did not see the editorial until it appeared in the paper and did not suggest that it be written.

In defense of Jack Marchbank, "the man he is proud to call his friend," Green says in his letter:

The editor of The News writes of the connection of Mr. John Marchbank with some wicked gambling institution in Daly City known as the Northern. I have known Jack Marchbank personally for a great many years. I am proud to call him my friend. I know him to be a big hearted, clean charitable man, whose word is his bond and whose kindness and loyalty to his friends is well known. I resent the efforts of The News to do politics for Mr. Bullock by attacking or abusing Mr. Marchbank. I KNOW OF MY OWN KNOWLEDGE HE IS NOT CONCERNED WITH OR INTERESTED IN ANY GAMBLING HOUSE KNOWN AS THE NORTHERN OR ANY OTHER PLACE OF SUCH CHARACTER. THE ONLY INSTITUTION IN DALY CITY IN WHICH JACK MARCHBANK HAS ANY INTEREST IS THE DALY CITY AUTO CLUB, WHICH IS A SMALL PRIVATE INCORPORATED CLUB, OPEN TO BONA FIDE MEMBERS AND THEIR GUESTS ALONE. Such clubs exist in many communities adjoining large cities. Perhaps there has been a little sport there at times among its members, I do not know. Many people believe and indulge in a little sport among themselves and their friends, and if it ever did exist in this club among its members and their guests, I sincerely believe it was fair sport, open and above board, the blackmailing claim of one Caille notwithstanding. Such sport is not contrary to law and is TOLERATED IN EVERY COMMUNITY."

Green does not tell the public that the name of the "Northern" gambling hall was changed to the "Daly City Auto Club" a few years ago when things got hot for the gamblers, but that it is still generally known as the "Northern." He tries to pass it off by saying there is no such place as the "Northern."

In concluding his defense of the gamblers and his appeal to the voters to re-elect Mr. Swart, Green says:

"I am writing this letter only in the interest of fair play and IN DEFENSE OF MY FRIEND."

And his friend, Jack Marchbank, is the selfsame Marchbank who was denied United States citizenship by Judge Buck in the superior court at Redwood City a few years ago because the United States Attorney presented proof that Marchbank was a professional gambler and would not make a desirable citizen.

In conclusion, let us say that Green, while pretending to be a friend and supporter of Mr. Bullock, has been working secretly and underhandedly against him. BULLOCK, THE MAN WHO TOOK GREEN'S SUIT FOR DAMAGES FOR THE LOSS OF HIS ARM IN A RAILROAD ACCIDENT AND WON A JUDGMENT OF \$15,000 WITHOUT CHARGING HIM ONE CENT FOR ATTORNEY FEES.

And, it might be worthy of mention, that only a month ago Green walked about the streets of San Mateo putting Bullock's election cards in store windows and at the same time was whispering innuendoes against him.

In his wanton attack upon the past Joseph J. Bullock Green has made the issue strong and clear insofar as it affects the gambling interests in the north end. HE ATTACKS BULLOCK AND DEFENDS MARCHBANK AND SWART.

Judge Buck, who went after the gamblers, knows that he cannot hope to wipe out gambling while present officials hold office and he has openly endorsed Joseph J. Bullock, who as the Judge says, HAS MADE GOOD.

Birds of a feather flock together. The voters can take the endorsement of Judge Buck, our honored and respected Superior Judge for thirty years or they can take the endorsement of Green and Marchbank.

WE WILL LEAVE THAT TO YOU.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Mr. and Mrs. John Morey are spending a ten days' vacation at Gilroy Hot Springs.

Corporal Frank Derry writes to his parents from "Somewhere in France." From the tenor of his letter it is evident that he is on the firing line at the front.

L. J. Fox, chief gardener for Charles Holbrook for the past seven years, has resigned his position to work in the ship yards in South San Francisco. Mr. Fox will continue to reside in Menlo Park.

The Menlo Heights Dairy has rented a portion of the Larrecou building on the highway for the sale of its products. The public will be served daily with fresh milk and cream, butter and eggs at reasonable prices.

Joseph Vincent de Laveaga, well-known lawyer of San Francisco, and a former resident of Menlo Park, and Gertrude A. Collum were married at high noon last Thursday in Corpus Christi church at Lake Tahoe, Father Francis Harvey of St. Patrick's Seminary, officiating. Miss Collum is the daughter of Mrs. Mirah Collum, who lives at 38 Powers street. She was for several years De Laveaga's stenographer.

The wedding was very quiet, only the family being present, including the two children of De Laveaga, Jose and Juanita.

De Laveaga's first wife was Miss

Florence Callaghan, daughter of the late Daniel Callaghan, president of the First National Bank.

The interest in the Bazaar for the benefit of the Church of the Nativity at Menlo is daily growing. The ladies in charge of the work are endeavoring to reach everyone to secure their co-operation and make the Bazaar a success. The fancy and useful articles are to be at the table under Mrs. B. M. Breeden. Her assistants are to be Mrs. M. F. Duff, Mrs. E. L. Eyre, Mrs. A. Ahlert, Mrs. C. Brady, Mrs. W. D. O'Brien, Mrs. Wm. A. Doyle and Mrs. E. P. Mahoney. Mrs. J. O'Kane is looking out for the dancing. Mrs. T. J. O'Keefe the cigarettes. Mrs. Harrington has the ice cream booth and Mrs. F. Derry the refreshments. Mrs. Midgley is to have the rummage table and Mrs. Gale the grab bag. Everyone in the parish has been asked to help and the patronesses, Mrs. Jos. A. Donohoe, Mrs. Perry Eyre and Mrs. T. S. Barker are enthusiastically working to insure a successful issue for this affair.

In reporting the sale of Mrs. Oren E. Morris' home in the Coleman tract last week it was inadvertently stated the price to be \$9000 when in fact it was \$24,000. The purchaser E. H. Nutter, is president of the Mineral Separation North American Corporation, a very large mining concern. Mr. Nutter resides in Berkeley but will move here today with his charming family. He likes the educational advantages, climate and surroundings here. Mr. Nutter and his family will be a big addition to local society.

Mr. and Mrs. Latham McMullin have returned from Menlo Park, where they recently enjoyed a brief visit with Mr. and Mrs. Frederick W. McNear at the McNear country home.

James Glynn has entered Santa Clara University for a full course

He graduated with honors from St. Joseph's parochial school last June. Young Glynn is a bright and clever lad who is certain to carve out a good career at the University.

Vote for J. J. Bullock for district attorney next Tuesday. He is competent, capable, efficient.

Harry Dick has secured the position of head gardener for Will Taylor. He has closed his home on Glenwood avenue and has moved to the lodge at the Taylor place.

The local Red Cross will entertain its friends and patrons at the Moose Club next Saturday evening, August 31st. The Regimental Band of the 62nd Infantry will be present. The dance will start promptly at 7:30 o'clock and everybody is invited. A charge of 50 cents will be taken from the gentlemen and the proceeds of the affair will go to the Red Cross here.

Father John F. Moisan, a chaplain at Camp Fremont, has been commissioned a first lieutenant, having recently been promoted from a second lieutenant.

Many from here attended the card party given by Father Hannigan at Ocean View Thursday evening. All report having a good time. Miss Cecilia Carleton won the first prize at the party.

Mrs. Timothy Hopkins reports that the tidy sum of nearly \$4000 was made at the festival at her home last Saturday for the benefit of the Red Cross Society. Mrs. Hopkins and her corps of able assistants feel grateful for the generous patronage accorded them.

Among the Camp Lewis men who arrived at Camp Fremont last week was Charles Weeden, young son of Mr. and Mrs. Harry Weeden. He expects soon to be sent to Siberia.

The garage at the Schlesinger home near the Bear Gulch lake caught fire on Thursday evening and was burned together with two valuable automobiles. The origin of the fire is unknown. Mr. Schlesinger is the manager of the Emporium in San Francisco.

A leading theatre man of San Francisco has purchased a lot on Santa Cruz avenue on which he is to shortly erect a modern playhouse. He promises to present to the people of Menlo Park one of the best attractions ever seen in the state.

Over 11,000 recruits from various portions of the west arrived at Camp Fremont during the month of August. There are now about 37,000 soldiers in camp. This is the largest number ever stationed at the cantonment.

Every voter in Menlo Park is going to cast his or her ballot for James Rolph for governor next Tuesday. Through his efforts Camp Fremont was established here and when an attempt was made to abandon it, it was Mr. Rolph who came to the rescue and had the big camp remain. It was Mr. Rolph who dispatched his secretary to Washington and had the true state of affairs laid before the president. The people are not going to forget this next Tuesday. They are going to give the popular mayor an almost unanimous vote and thus show their appreciation for his efforts on their behalf.

Don't forget to vote for Thomas J. Lennon for associate justice of the supreme court next Tuesday. He

once resided here. He is a credit to the village. Vote for him.

Postmaster E. J. Crane has received the following letter from Thomas T. Wiseman, director of War Stamp activities in San Mateo County. All those who have made pledges would do well to redeem them at once and buy more thrift stamps:

"August 15th, 1918—Mr. E. J. Crane, P. M., Chairman Menlo Park W. S. S. Committee, Menlo Park, Cal. My Dear Mr. Crane: The Governor has set September 9th, as War Savings Day in California, in recognition of the fine showing our California boys are making on the firing line. Let us all, between now and September 9th, show our appreciation. Let us ask our people to invest in War Savings Stamps to the limit of each one's capacity, and thereby add a kick at the Kaiser's fleeing army. It will only take a few more good kicks to put him out.

"You and your committee are to be congratulated for the splendid showing you are making, and I feel sure that the people of your district will respond to this call by making August and September your two biggest months."

Yours very truly,

THOS. T. WISEMAN

Director San Mateo County.

PESCADERO ITEMS

Mr. and Mrs. A. A. Coburn have returned to Pescadero after a short visit in the east.

Clark Rice, candidate for recorder, was a visitor in town last week. M. Sheehan and Judge Lampkin were visitors here Tuesday looking after their political fences. They report favorable conditions all over the county.

Dr. Thompson and Edgar Shaw were Redwood City visitors this week.

The supervisor fight insofar as the candidates are concerned has been clean from start to finish. They have each proven that they are too big to indulge in dirty personalities and are willing to leave the result with the voters. At the request of Dr. Thompson the election board have received legal advice as to the qualifications of the voters and the board, which will decide all challenges, will allow no one to vote who does not have legal right to vote.

A. W. Woodhams and E. D. Moore have been making a tour of the township in the interest of their candidacy for the office of justice of the peace.

The fight for constable is a good natured, quiet one and the result will be looked forward to with a good deal of interest. As there are four in the fight it is not expected that either one will be elected at the primary but that the fight will have to be fought out at the general election.

C. H. Widemann is a city visitor this week.

J. J. Machado, the bean buyer of this section, was in San Francisco Tuesday on business. He reports a healthy condition in the bean market. James Casey and Franklin Swart were visitors in town Wednesday.

SAN CARLOS ITEMS

Sergeant Paul D. Smith left Monday night for Camp Hancock, Ga. after enjoying a two weeks' furlough visiting relatives and friends here at home and in the various towns around the bay.

Mr. Hulbert of the Hulbert Electro-Steel Mfg. Co. of San Francisco has rented the Quinn cottage and will move his family down from Burlingame about September 1st. In the event he and his folks are pleased with the climate and other conditions in our little city it is Mr. Hulbert's intention to build and take up their permanent residence here.

Frank S. Quinn who enlisted in the Naval Reserve some weeks ago was home for a five days' leave, returning to San Diego last Monday morning.

The following candidates visited our little city last week: Jas. T. Casey, for sheriff; D. P. Flynn, for assessor; William H. Barg, for county recorder; Roy W. Curran, for county clerk; James V. Neuman, for county surveyor; M. J. Conway, for supervisor; and S. J. Fisher for justice of the peace.

The interest of the voters appear to be centered on the fights for district attorney, county clerk, sheriff, supervisor and justice of the peace; the balance of the contests are tame in comparison to these. S. J. Fisher is a sure winner so far as this little community is concerned.

Mrs. J. T. Bamfield and Master Jack have returned to their home in Oakland after several weeks' visit at the home of Mrs. Bamfield's sister Mrs. Fred W. Lippman.

Among the many active candidates who have visited headquarters in our little city the past week were Walter G. Loveland candidate for justice of the peace in the Second Township, and H. C. Tuchsens, the live wire who is out for the job of assessor. From the present outlook it would appear that it is Fisher and Loveland who will receive the big end of our 88 votes in the "Garden of Eden."

WOODSIDE ITEMS

H. C. Tuchsens' old home, Woodside, is going to roll up a big vote for him next Tuesday. Mr. Tuchsens resided here for many years and is well-known and liked among his former neighbors. His honesty and ability is known and is going to count with the voters on next Tuesday.

J. J. Bullock has many friends in Woodside who are going to vote for him next Tuesday. He has ability, is efficient and for these reasons the people are going to vote for him.

Many from here will attend the entertainment and dance to be given this evening at Redwood City by Mrs. A. Mighall for the benefit of the Red Cross Society.

Robert Lettis was here yesterday looking after his political fences. He claims he will be the next recorder. He certainly will get a big vote here.

WOODRUFF INN OPENS TONIGHT

In the Mountains Near La Honda will be the Scene of Joy and Amusement.

Woodruff Inn at La Honda, will be formally opened under new management this evening by a grand ball in the pavilion adjoining the hotel. Mr. Henri A. Devere, the new proprietor, has a national reputation as a caterer and entertainer. On this occasion he will leave nothing undone to make the evening one of pleasure and enjoyment to his numerous guests who will gather at the attractive mountain resort. A specially fine French dinner will be served from noon until 10 o'clock in the evening. A special lunch is to be served at midnight. The dance is to continue until 2 o'clock a. m. Those desiring to attend the function should make reservations at once.

Mr. Devere has engaged a noted chef to preside over the destinies of the popular resort so that one may be assured of tempting meals at almost all hours. The Woodruff Inn promises to become the most popular resort in this section of the state. All the candidates will be there this evening, not only to see the voters but to partake of the good things provided by Mr. Devere. The wine list for the meal is the finest ever presented in the county.

The garage will be at disposal of the guests.

A jazz orchestra has been engaged for the pleasure of the guests.

The district attorney of this, or any other county, must be competent to fill the office, and to intelligently, efficiently and properly discharge the duties of such an office. Between Mr. Joseph J. Bullock and Mr. F. Swart, the people will without hesitancy say, and by their votes determine who is the more competent, and Mr. Bullock's election is assured.

Have you placed
"your house in order"?

The brainiest business men in America have named Trust institutions as Executors under their Wills. The old-fashioned method of placing the responsibility for the handling of one's estate upon some personal friend or relative, is rapidly passing and will ultimately become obsolete.

By appointing the Bank of Italy as Executor, your heirs will obtain the benefit of the collective skill and experience of specialists.

Bank of Italy estate-management is safe, dependable, economical and unbiased. Place your "house in order" by having your lawyer draw your Will—and name this bank as Executor.
